Effective immediately, Moffat Water Supply Corporation is implementing Stage 1 of the Drought Contingency Plan. Moffat WSC has received notification from Clearwater Underground Water Conservation District and Bluebonnet WSC of Stage 1 Drought Trigger. The goal of Stage 1 drought condition is to achieve a 10% reduction in water usage through voluntary water conservation.

Voluntary Water Restriction Guidelines:

- **Minimize or discontinue nonessential water use.**
- **Limit landscape irrigation to between 8:00pm and 10:00am.**
- **Only water on designated days.**
 - **Mondays for customers with a street address ending with the numbers 1, 2, or 3.**
 - **Wednesdays for customers with a street address ending with the numbers 4, 5, or 6.**
 - **Friday for customers with a street address ending with the numbers 7, 8, 9, or 0**

Moffat Water Supply appreciates your support and cooperation in this matter. We will issue further notification when/if additional action is required. If you have any questions please feel free to contact our office at 254-986-2457.

Sincerely,

Moffat Water Supply Corp.
